

## Dear Parents,

Hello All! We had a great week! We are getting in the full swing of school! First Spelling tests are under our belts. Lower Grade Moms & Dads, please practice Memory Verses. They are due September 8. Kindergarten families, your student only has to say one of the verses. Let's not leave it to the last minute. Thanks!

**\*REMINDER**—All current immunizations, birth certificates, and physicals are due into us by the 1<sup>st</sup> of September.

**UPDATE**, on hot lunches! Okay, parents hot lunch prices are down below. Now, before you get out your pitchforks, yes burritos went up substantially. Well...Taco Inn raised their prices, BIG TIME! We have to make sure that the money collected covers the amount our parent volunteers have to pay when they pick the order. We tried to keep it as low as possible.

**\*Project Impact**—It is a George Stone tradition that we participate in Union College's Project Impact. This year we are going to packing birthday kits for families in need. If you would like to help, please bring in cake mixes, cans of frosting, or birthday candles. We would like to make 30 kits. In addition to packing birthday kits, we will be pitching and cleaning around the school. There are some big jobs that our kids are strong enough to tackle.

**\*Environmental School**—KS/NE Environmental School is September 5-8. It is only open to 6<sup>th</sup> graders. Payment is due the 1<sup>st</sup> of September. If you are interested, please contact Mrs. Carlson.
