

**Dear Parents,**

We've had a terrific week! Lower Grades finished their Salvation unit in Bible. They painted a picture of how Jesus is the bridge between us and God. Grades 5-8 did a lab with eggs! Ask them all about it!

**\*Graded 5-8 Band-**Mrs. Carlson's group is gearing up for band! Mrs. Carlson needs band members to finalize instrument choices. We understand acquiring an instrument is hard. You can rent one, rent to own program, borrow from friend or family, or buy used. If you have questions contact Mrs. Carlson.

**\*MAP Assessments-**As you can see down below, MAPS tests are the 18<sup>th</sup> through the 22<sup>nd</sup>. Grades 1-8 participate. We are giving Language, Reading, Math, and Science. So, that is 4 tests. We only have 1 extra day for make up tests. Please make sure that your child has no reasons for being gone from school that week.

**\*Monday Hot Lunch-**We are pleased to offer Corn Dogs for hot lunch on Mondays. They are the Morning Star Vegetarian Corn Dogs. They will cost \$1.50 each.
