Dear Parents,

We have had a great week! We had a visit from Pastor Ilka Fuentes from Piedmont Park Church. She gave a fun worship and told the kids about Children's Church. You will find all the information attached to this newsletter. Mr. Jenkins (Student teacher grades 5-8) will leave us next week! We are sad, but excited that he will start a new adventure. Carlson's Crew will be starting a study of Daniel in Bible next week. They will find out how being true to God's will make a difference in our lives. Simpson's Scholars are continuing their study of Moses, and how God is ALWAYS with us.

***Grades K-4 Memory Verses**—Moms & Dads, please help your kiddo learn their memory verses. All K-4 students have to say **BOTH** verses by the 13th of October.

***Grades 5-8 Band--Tuesday's group** will consist of clarinets and trombones. If your child has chosen to play a clarinet or trombone, he or she will need to bring that instrument on Tuesday. **Thursday's group** consists of flutes and trumpets. If your child has chosen to play a flute or a trumpet, he or she will need to bring that instrument on Thursday.

***Vala's Pumpkin Patch**- Please make sure to hand in permission slip & fee for our Pumpkin Patch field trip. We could use one more driver if at all possible. Please let us know if you are able to drive.

***School Picture Day**—As you can see below, we have scheduled school pictures. On the 18th you can send your kids in their photogenic best. We will go over to the studio as soon as worship is over, first thing in the morning. This way their glow will still be there. Feel free to send clothes for your child/children to change into.

***Weather**—Our weather is always unpredictable this time of year. Next week is supposed to be quite hot. Yet, it may be chilly in the morning. Please make sure that your child/children are dressed so that they will be comfortable in the morning and afternoon.

***Parent/Teacher Conferences**—October 23-27 is Parent Teacher Conference week. Keep an eye out for an email so you can schedule your time slot.
